- New globe.gov website
 - Account generation for GLOBE Community members
 - International Content Migration

Managed by:  UCAR | COMMUNITY PROGRAMS

North America and U.S. Partner Activities

- **Developing collaborations between Canada and the U.S.**
- **Maintaining existing U.S. Partners and recruiting Partners across the states**
 - Work with the US-PRAC to address strategic U.S. implementation issues
 - Attend regional NSTA events and hold networking sessions for U.S. Partners / teachers
 - Attend events related to Native American collaborations, bilingual implementation to meet the needs of U.S. English Language Learners, and other special interest groups
 - Compile and disseminate U.S. Implementation and funding metrics
- **Facilitating U.S. Partner activity on an individual basis to support teacher implementation**
 - Annual Review of Implementation Plans
 - Annual Re-commitment process and Annual Survey
- **Assisting U.S. Partners on an individual basis to expand their efforts**
 - Assistance provided by the GLOBE Help Desk
 - Providing letters of support for funding opportunities
 - Linking U.S. Partners together for collaborative projects and implementation efforts
 - Linking U.S. Partners to international Partners for collaborative projects and implementation efforts (especially related to international training events)

Managed by:  UCAR | COMMUNITY PROGRAMS

International GLOBE Training events—scenarios

- **Partners/Master Trainers/Trainers/Teachers invited to travel to GLOBE partner countries to assist/participate:**
 - Training is recorded in Partner Country and not as a U.S. training event.
 - Participants are recorded in the database according to their role in the event.
 - **IMPORTANT TO ENSURE PROPER DOCUMENTATION:** Location of the participants and the responsible partner involved in follow-up.
- **Partners/Master Trainers/Trainers/Teachers traveling to GLOBE partner countries to conduct their own training events:**
 - Permission must be sought from the Country Coordinator to conduct any type of GLOBE activity in their country (bilateral agreements are in place with each country).
 - **IMPORTANT TO ENSURE TRANSPARENCY:** Please contact Country Coordinator with a cc to GPO International Division (tkennedy@globe.gov) to ensure we can facilitate as needed, and to ensure the international collaboration is recorded on international GLOBE metrics.
- **Partners/Master Trainers/Trainers/Teachers traveling to non-GLOBE partner countries to conduct training events:**
 - Please consult with the GPO International Division before initiating any discussions.
 - **IMPORTANT TO ENSURE that the United States has a bilateral agreement in place** before any activities can occur, and we must have full diplomatic relations with the country before discussions and/or any GLOBE activities can occur.
